

turning managers into leaders

**MERGE GUPTA-SUNDERJI  
INTRODUCTION**

Merge Gupta-Sunderji turns managers into leaders. Over 44,000 managers in eight countries have participated in her entertaining keynotes and workshops. With more than fourteen years of leadership at one of Canada's most respected oil and gas companies, and three years at the helm of a Credit Union Board of Directors, Merge speaks from first-hand experience. She's an award-winning published author of one book and over fifty articles. She's presently working on her latest book, a practical hands-on how-to guide titled *Power Tools for Leaders*.
